Note: You may change courses in the future in consultation with your QUERIES faculty advisor. You may also include pre-approved graduate courses you have already completed at UIUC. Students who wish to utilize other coursework or experiences to satisfy certificate requirements should contact the QUERIES program (see below).

FACULTY ADVISOR SUPPORT

Students should consult with their faculty advisor in their degree program to seek support and approval for their participation in the certificate program to ensure its requirements do not hinder reasonable degree progress. *I have met with my faculty advisor to discuss the Graduate Certificate in Evaluation's requirements and my participation in the program.*

Student Signature and Date: _____

I support my advisee's pursuit of the Graduate Certificate in Evaluation.

Faculty Advisor Signature and Date: _____

PROGRAM CONTACT

If you have any questions about the certificate program or the application process, please contact Dr. Melissa Goodnight (mrg@illinois.edu).
